DEMO · Practice records only
Earned: KES 2,150
Earned / sales / expected is milk delivery value, sales after discounts, or rent charges posted for these dates; it is not cash received.
Money received: KES 1,800
Recorded expenses: KES 800
Sales less recorded expenses: KES 1,350
Before cost of goods sold; not profit or cash balance.
Owed now, all saved records: KES 50
This is the balance of all entries currently saved, including entries outside the selected dates. It is not an Inuka balance.
Received payments include collections of earlier Deni. This is not a cash or wallet balance.
Other money received, not sales: KES 0
Owner capital, loan proceeds, grants and transfers are separate from sales and trade payments.
Money recorded as held (not income): KES 0
Held amounts across all saved dates. Deposit refunds are not computed automatically.
Litres: 43 L
Average per recorded delivery day: 21.5 L
Days without delivery records are unknown and are excluded from this average.
Days with entries: 3 · Marked no trade: 0 · Without records or marker: 26
This shows recording coverage, not proof that every transaction was entered. Missing days are unknown, not zero.
Entries with unknown recording time: 0
Financial change events in this period: 1
Individual customer, buyer and tenant names, phone numbers and payment references are omitted.
Report ID: 4f796042-a2b0-4c60-aaf9-f9d89e213108
