Sales: KES 2,000
Earned / sales / expected is milk delivery value, sales after discounts, or rent charges posted for these dates; it is not cash received.
Money received: KES 1,880
Recorded expenses: KES 900
Sales less recorded expenses: KES 1,100
Before cost of goods sold; not profit or cash balance.
Owed now, all saved records: KES 0
This is the balance of all entries currently saved, including entries outside the selected dates. It is not an Inuka balance.
Received payments include collections of earlier Deni. This is not a cash or wallet balance.
Other money received, not sales: KES 0
Owner capital, loan proceeds, grants and transfers are separate from sales and trade payments.
Money recorded as held (not income): KES 0
Held amounts across all saved dates. Deposit refunds are not computed automatically.
Future-dated saved entries: 1. Outstanding amounts include these entries.
Days with entries: 1 · Marked no trade: 0 · Without records or marker: 28
This shows recording coverage, not proof that every transaction was entered. Missing days are unknown, not zero.
Entries with unknown recording time: 0
Financial change events in this period: 0
Individual customer, buyer and tenant names, phone numbers and payment references are omitted.
Report ID: 666ff06d-72f9-4c42-8591-dc007387c2e0
